

# Following Christ: Sharing Hospitality with Others

*Mark 6:30-44 - Adult Education, Autumn 2017*

Jesus lived his life receiving and extending hospitality. In fact, he expected that lifestyle of hospitality from his disciples and others. This class will explore that rule of life as we seek to follow Jesus, as a way of being, a way of engaging and sharing with others, including the stranger. We will begin with the Biblical and missional foundations of hospitality and then hear stories of specific ministries of hospitality with opportunities for practical applications, as well.
