

TELL ME A STORY
Mission Class, April – May 2018
Schedule

In this class we will begin to learn how to share our personal story of the transforming power of God in our lives and how to share a story of Jesus with those who are seeking faith. As we master telling one of Jesus' stories, we will **know** Christ better; as we share the good news through telling our own story, we will **follow** Christ more faithfully; and as we help others learn more about the power of stories, we will **serve** Christ more meaningfully.

April 15 **Overview of Storytelling** – Melanie Myatt, Facilitator

April 29 **Telling our Personal Story** – Sonia Bodi, Facilitator

May 6 **Art of the Story** – Caryl Weinberg, Facilitator

May 13 **Telling a Bible Story** – Molly and Keith Dunn, Presenters

May 20 **Graduation Celebration with Really Good Party Food**
Individuals will share a story based on one of the following:
their personal story,

through the use of an artistic medium.
